Ranked 1st Amongst all Private Universities by QS Asia University Rankings 2025

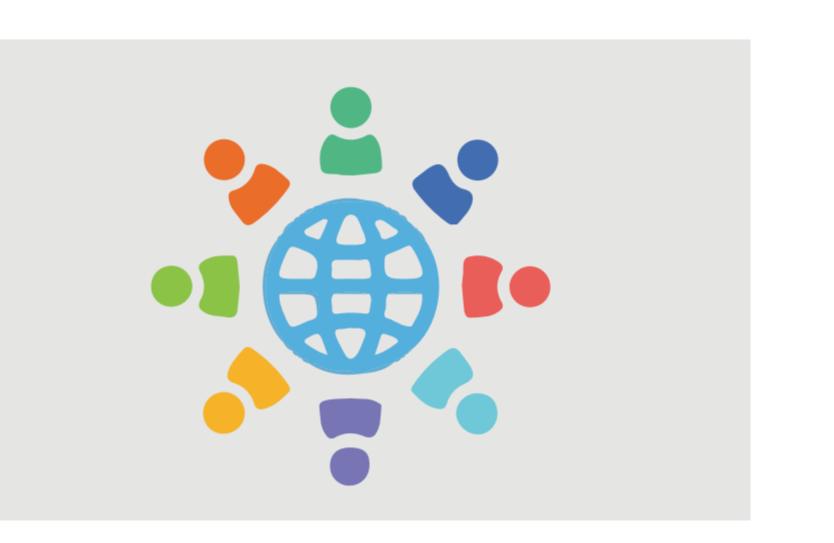

A+ accreditation by the National Assessment and Accreditation Council (NAAC)

Ranked 20th in NIRF Rankings 2024

Sprawling 150-acre smart campus with world-class infrastructure

Students from 28 Indian states, 8 union territories and 65 countries

Partnership with more than 502 top-ranked universities in 95 countries

About Us —

Chandigarh University

Chandigarh University is a leading Indian institution offering its students a unique amalgamation of professional and academic excellence. We were accorded the prestigious NAAC A+ Grade in the first cycle itself and ranked #691-700 as per the QS World University Rankings 2025. We are also ranked 20 among the best universities in India as per the NIRF Rankings 2024 released by the Ministry of Education, Government of India.

Home to students from 28 Indian states, its 8 Union Territories, and 65 countries of the world, CU has transformed into a unique learning universe that amalgamates the spirit of multiculturalism, diverse ethnicities, and hallowed traditions from across the world.

The University provides a global perspective to facilitate students with learning opportunities through partnerships with more than 500+ top-ranked universities worldwide in 95 countries. At Chandigarh University Online, we offer a diverse range of programs designed for flexibility, hands-on learning, and an interdisciplinary approach—empowering students to explore their passions and achieve their career aspirations from anywhere.

CU Online —

Recognitions & Approvals

Message from the **Leadership**

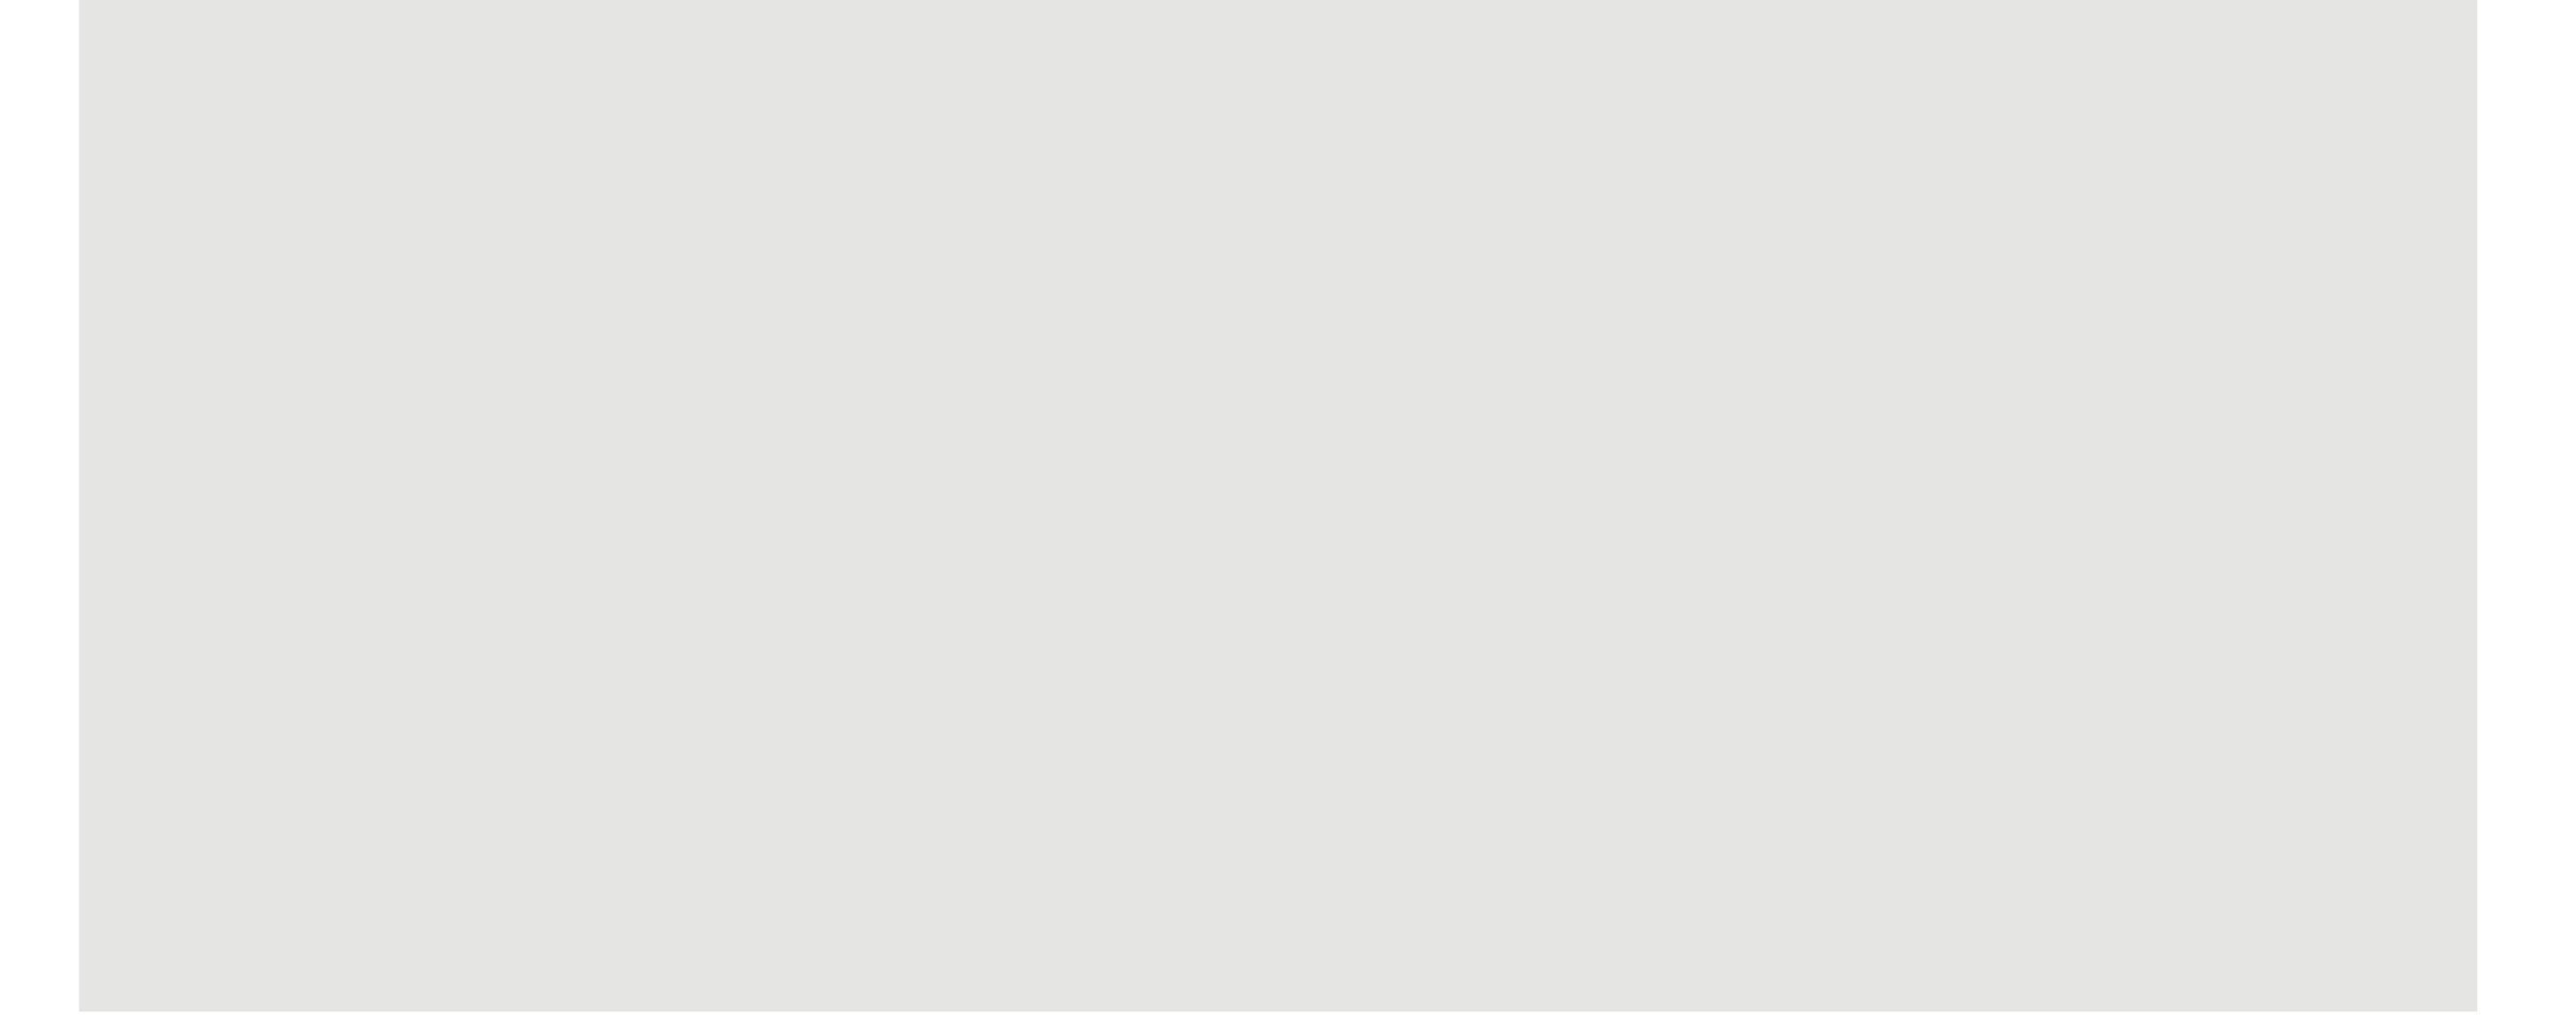

Higher education is not just a pursuit of knowledge; it is a catalyst for personal growth and national development.

At Chandigarh University, we understand the pivotal role education plays in shaping not only individual destinies but also contributing significantly to the progress of our nation.

In an era where digital connectivity has become the norm, the importance of online education cannot be overstated.

The power of online learning lies in its accessibility, allowing aspiring minds from all walks of life to engage in a dynamic and enriching educational experience.

I extend a warm invitation to students from diverse cultures to be a part of our vibrant education ecosystem and gain an entirely new-age learning experience.

S. Satnam Singh Sandhu

Hon'ble Chancellor, Chandigarh University

Our **Vision**

To be recognized as an elite center of online learning by providing quality education through state-of-the-art ICT, enabling and empowering all sections of the society to contribute to the development of the nation.

Our **Mission**

- Providing state-of-the-art technology, infrastructure, world-renowned academics, and an ideal environment for knowledge transfer through Online Learning.
- Creating a curriculum consisting of innovative, career-oriented courses at par with the best regular programs
- Establishing a unique transformative center of research for modern pedagogical Computer Based Teaching(CBT), digital content development, video lecture development, and assessment for online learning needs.
- Engaging students through blended pedagogies to equip them with the requisite professional and life skills along with social sensitivity and a high sense of values and ethics.

Message from the **Leadership**

Prof. Himani Sood

Hon'ble Pro - Chancellor,
Chandigarh University

At Chandigarh University, we are dedicated to fostering an environment that nurtures learning, encourages dreams, and inspires innovation. Our top-tier education facilities embody practical training ethos, a problem-solving approach, and a flexible interdisciplinary academic model that aligns with international standards. In our virtual campus, you will not only engage with individuals from diverse professional backgrounds but also gain direct access to a wealth of e-learning resources, comprehensive study materials, and a team of experienced faculty. We pledge to bring forth the finest resources from around the world.

We are certain to leave no stone unturned for the realisation of your dreams. I extend a heartfelt welcome to you for a journey of learning, growth, and achievements.

Prof. (Dr.) Manpreet Singh Manna

Hon'ble Vice - Chancellor,
Chandigarh University

Dedicated to fostering career-ready individuals with flexible, affordable, and engaging online learning, CU offers globally recognized UGC-entitled programs, paving new career pathways for 21st-century learners. Honoured with prestigious awards, including the title of India's No. 1 Private University by the QS World Rankings, CU acknowledges the evolving needs of working professionals and candidates unable to pursue traditional on-campus education. Hence, the Centre for Distance & Online Education (CDOE) was established, with a mission to impart higher education in Management, Commerce, Basic Sciences, and the Liberal Arts. We equip our students with critical thinking, soft skills, and global values, preparing them for the dynamic global landscape. Our successful alumni in leading MNCs validate the effectiveness of our learner-centric online model led by expert faculty.

I extend a warm invitation to you to pursue online degree programs at Chandigarh University that align with your career aspirations.

Online Degree **Equivalence**

The degree obtained through online mode is equivalent to the degree offered through conventional mode as per the Regulation 22 (2020) of University Grants Commission (UGC).

F. No.3-5/2022(DEB-II)

PUBLIC NOTICE

August, 2022

02 SEP 2022

Equivalence of degree obtained through ODL and Online mode with degree obtained through conventional mode

The Regulation 22 of the University Grants Commission (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020 stipulates as under;

"Equivalence of qualification acquired through Conventional or Open and Distance Learning and Online modes."— Degrees at undergraduate and postgraduate level in conformity with UGC notification on Specification of Degrees, 2014 and post graduate diplomas awarded through Open and Distance Learning mode and/or Online mode by Higher Educational Institutions, recognised by the Commission under these regulations, shall be treated as equivalent to the corresponding awards of the Degrees at undergraduate and postgraduate level and post graduate diplomas offered through conventional mode."

This is for information of the general public, students and other stakeholders.

Cu Learning Management System

Meeting Personalized Learning Requirements

The CU Learning Management System (LMS) is a vital software application for online education, providing systematic documentation, tracking, reporting, administration, and course delivery. Tailored to meet the diverse needs of online learners, the CU LMS serves as an advanced digital platform, offering flexibility in study plans and effective e-content delivery. Beyond multimedia course content, it features facilitated learning, a discussion board, course tracking, assignment management, faculty interaction, and a virtual programming environment. Access to the online digital library and other open sources enriches students' knowledge. The CU LMS virtual classroom ensures easy interaction and learning, making the university just a click away.

Testimonials —

Learners Stories

Here's what our alumni have to say about our programs

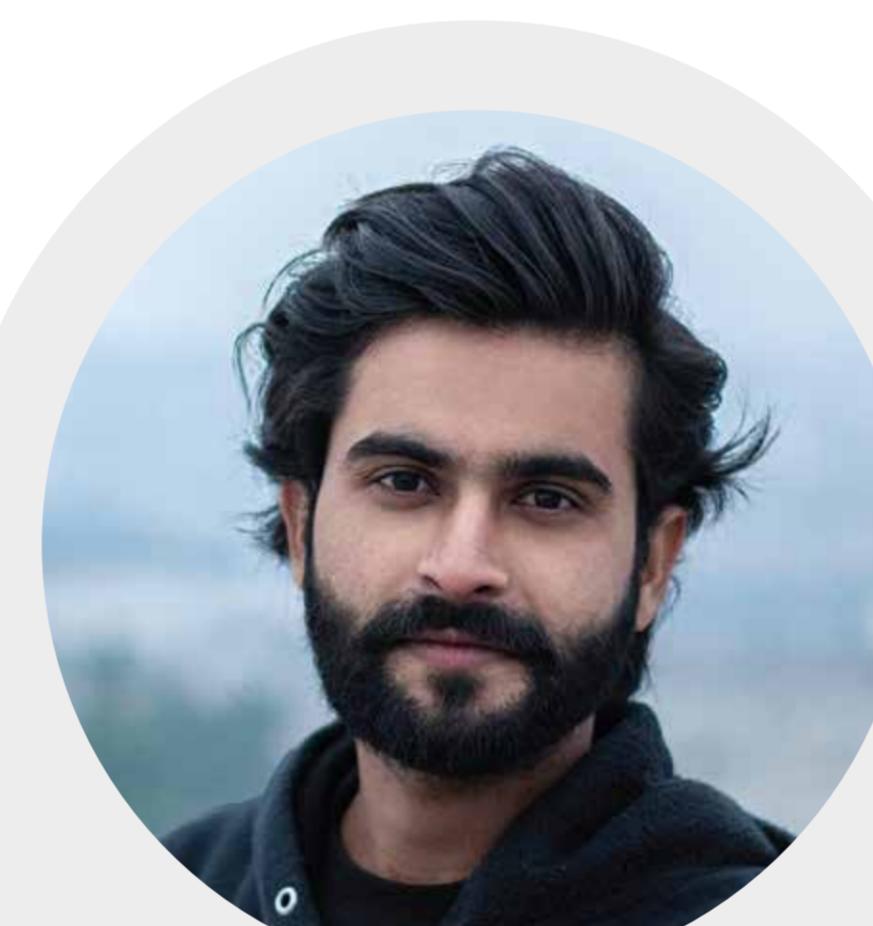

Sandhya Ashok Vaishya
Master of Business Administration

I believe what makes CU-Online Learning the best learning experience is that it focuses on cultivating real-life experiences that can and will be transferable to your future and career. I had multitudes of reasons for going back to college that transcend job security and career advancement and CU-Online Learning fulfilled all of those expectations.

**Muttappa Bhimappa
Muttalageri**
Bachelor of Business Administration

CU-Online Learning opens doors and expands your mind in ways you never thought. The programme has given me opportunities to dive deeply into the heart of real-life projects and assignments that made me learn in the best way possible.

Rakesh Dhanraj Lanjewar
Master of Science in Data Science

My time at CU-Online Learning contributed to my preparation for being able to fit into nearly any industry. With the best people and opportunities, I was exposed to, I believe I made the right decision, and learning here was well worth it.

Stalin Mathias
Master of Arts in Journalism and
Mass Communication

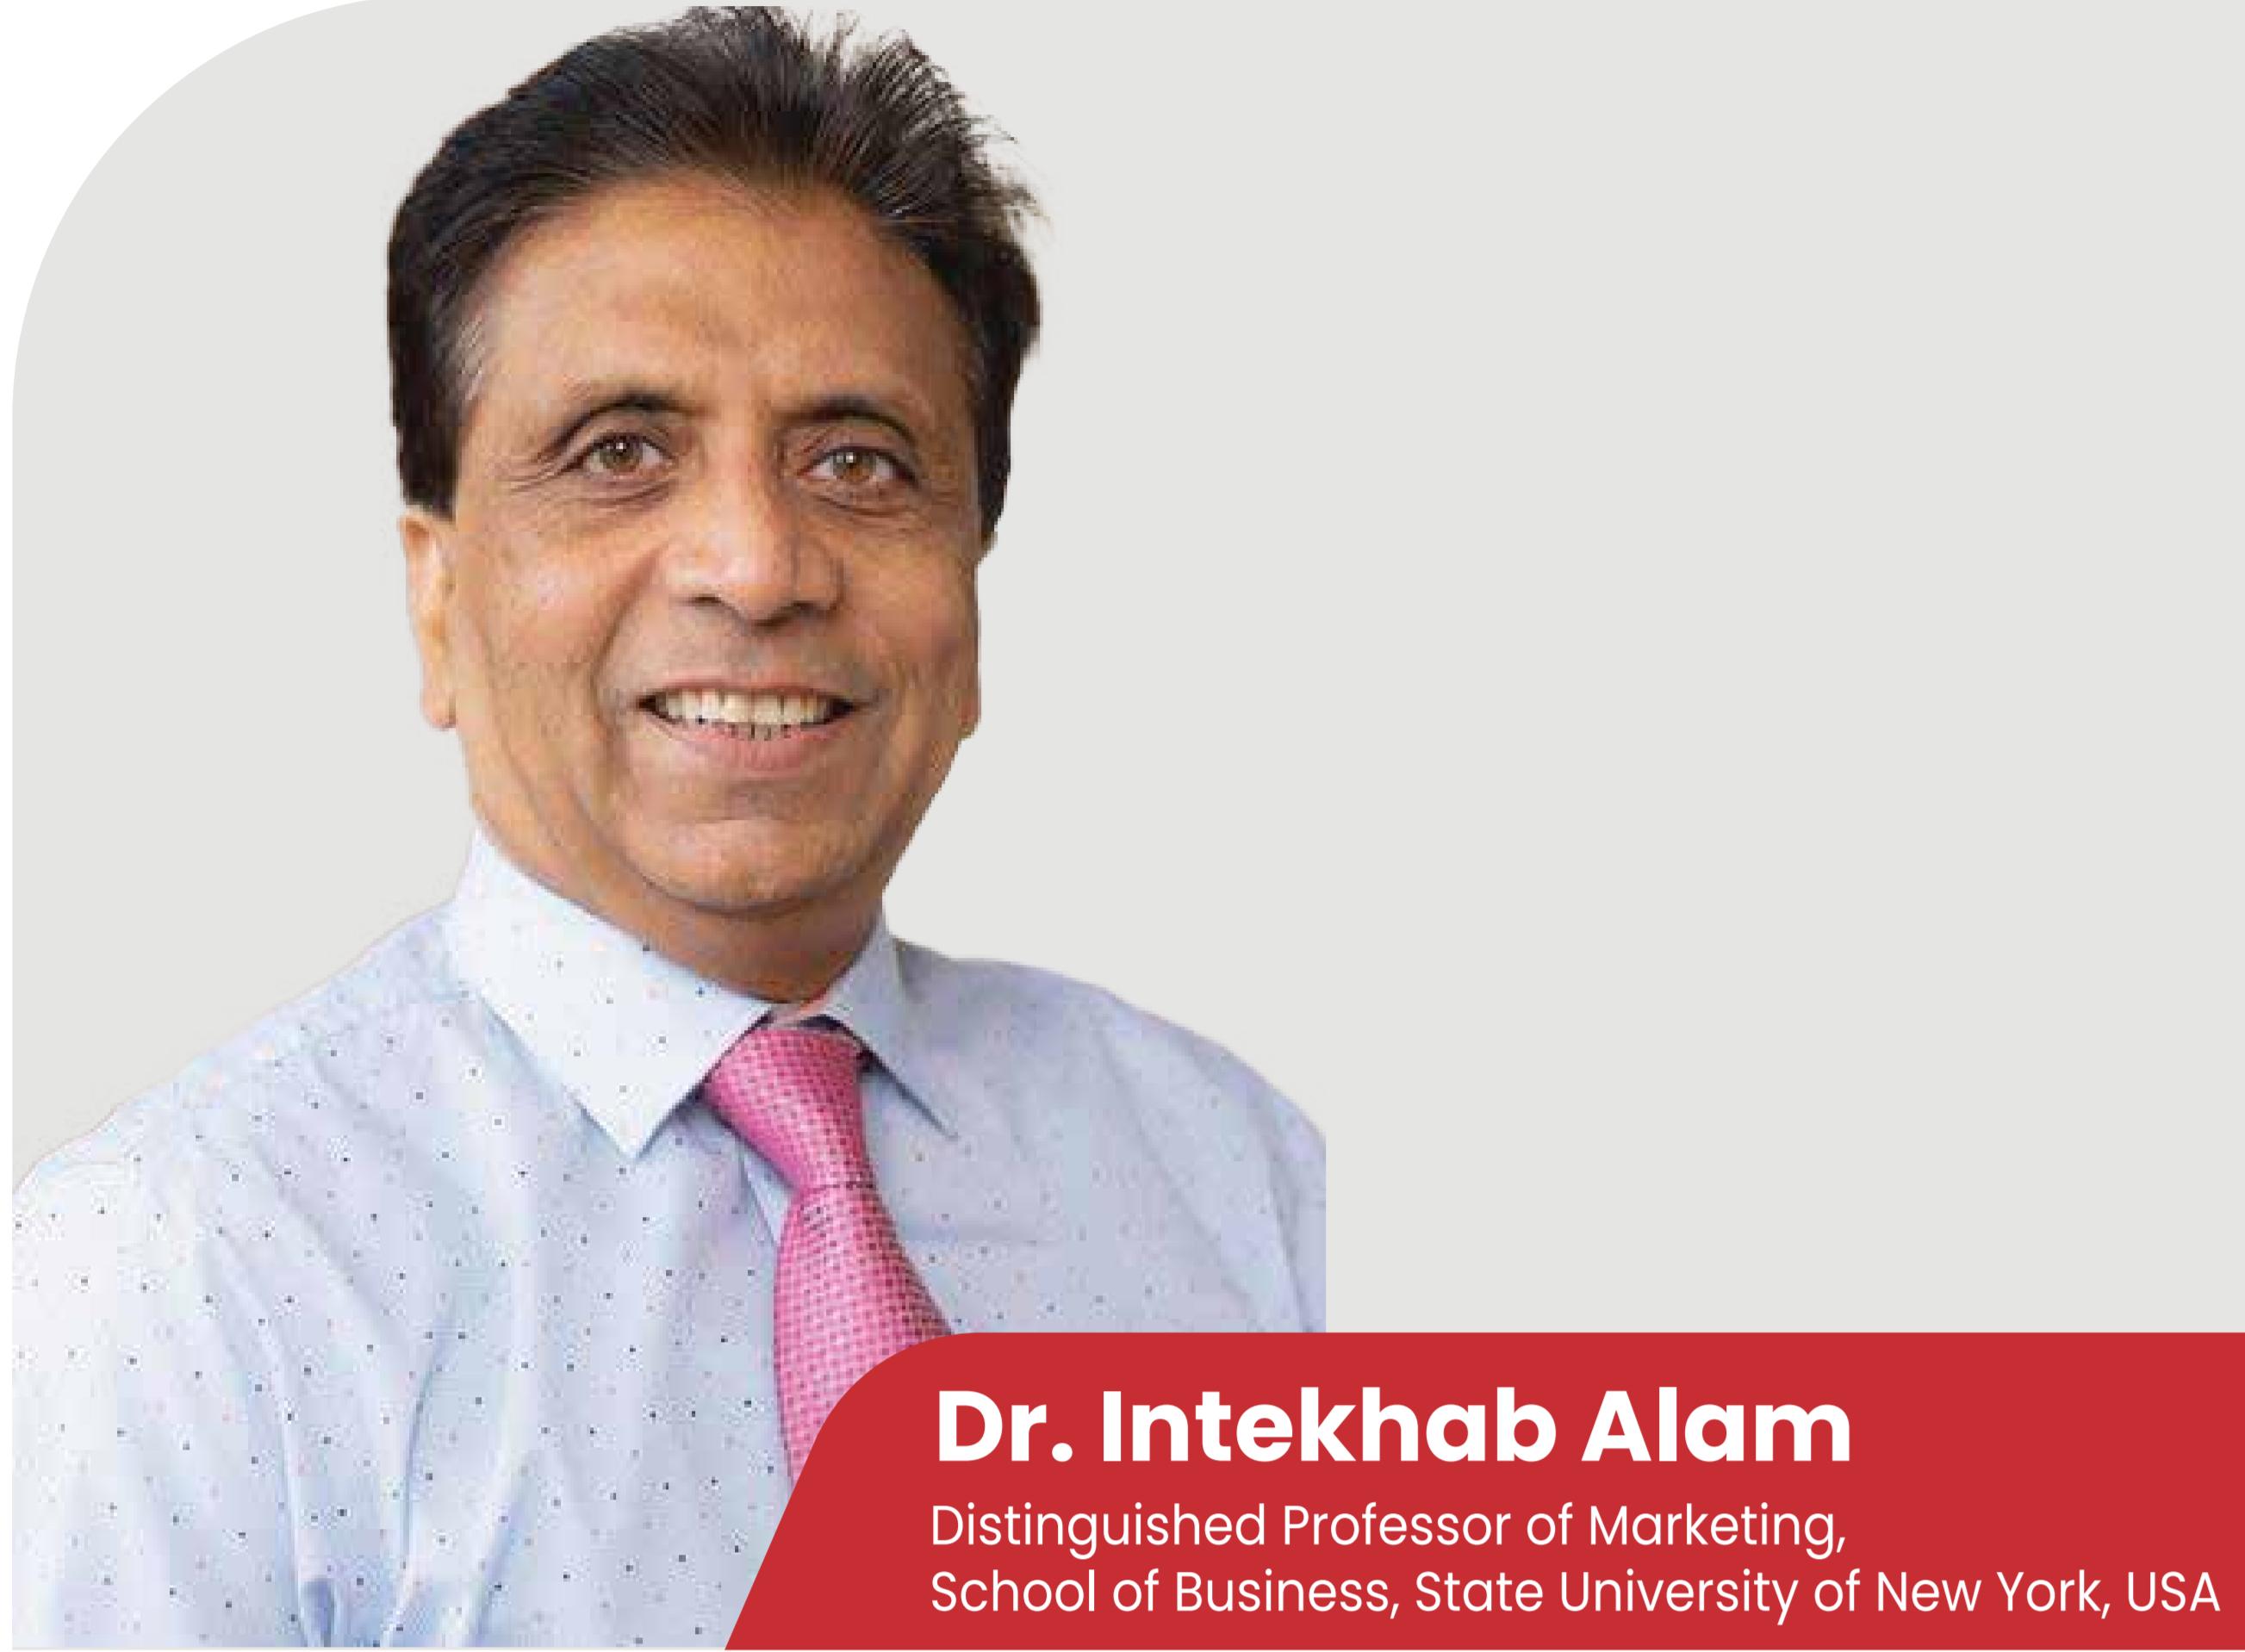

CU-Online learning offers a one-of-a-kind experience of the virtual classroom. My instructors pushed me out of my comfort zone and inculcated skills to pursue the best career options. I learned leadership, interpersonal and real-world skills that employers are looking for.
